Bulletin No. 5

Foliage & Flowering VINES

Be it ever so humble, or ever so small, every home has room for a vine or two, to cover a back porch or trellis, climb over an old stone wall or brick chimney, festoon a pergola, or enclose a tennis court or service yard — to mention but a few uses. The varieties offered below are hardy and handsome. All are first quality plants.

AKEBIA QUINATA

Fiveleaf Akebia

A graceful, slender vine. Finely-cut foliage and quaint plum-colored blossoms.

| | |
|---------------|--------|
| Grade | Each |
| 3 year plants | \$.75 |

AMPELOPSIS ACONITIFOLIA

Monkshood Creeper

Attractive deeply-cut leaves. Small white flowers followed by small yellow berries which often turn blue.

| | |
|---------------|--------|
| Grade | Each |
| 2 year plants | \$.50 |
| 4 year plants | 1.00 |

AMPELOPSIS LOWI

Geranium Creeper

Delicate, lustrous leaves, forming a dense cover. Handsome fall coloring.

| | |
|-------------|--------|
| Grade | Each |
| 4 inch pots | \$.65 |

AMPELOPSIS QUINQUEFOLIA

Virginia Creeper

Woodbine — A thoroughly satisfactory and vigorous vine. Brilliant foliage and heavy sprays of blue berries in fall. An excellent cover for trees, rocky slopes and walls.

| | |
|---------------|--------|
| Grade | Each |
| 3 year plants | \$.65 |

AMPELOPSIS TRICUSPIDATA

Boston Ivy

Japanese Creeper — The beautiful glossy foliage clings closely to walls and makes a charming barrier of green. Gorgeous fall coloring and small blue-black berries. Will cling to wood, brick or stone.

| | |
|--------|--------|
| Grade | Each |
| 2 year | \$.50 |

ARISTOLOCHIA SIPHO

Dutchman's Pipe

Very large heart-shaped leaves on strong plants, which climb to twenty or thirty feet. Yellowish-green flowers curved like a pipe. Fast growing. An excellent vine for shading porches.

| | |
|---------------|------|
| Grade | Each |
| 2 year grafts | \$ |

Don't Starve Your Plants—Feed Them with a Reliable Plant Food.

BIGNONIA MME. GALEN

Hybrid Trumpet Creeper

A high-climbing robust vine. Handsome dark green foliage. Clusters of large showy orange-yellow flowers in July and August. A splendid vine for covering walls and rocks. Superior to other Trumpet Creepers.

| | |
|-------------------------|--------|
| Grade | Each |
| 2 year grafts (in pots) | \$1.25 |

CELASTRUS SCANDENS

American Bittersweet

Handsome glossy foliage. Tufts of creamy flowers in July. Large clusters of orange-crimson fruits in autumn and winter. Excellent for covering walls, banks and rocky slopes.

| | |
|---------------|--------|
| Grade | Each |
| 3 year plants | \$.75 |
| 5 year plants | 1.25 |

CLEMATIS

An exceedingly decorative flowering vine with a long-blooming season. Wide range of colors.

C. PANICULATA

Sweet Autumn Clematis

Graceful and vigorous. Glossy foliage. Masses of fragrant white flowers in September. Excellent for trellises, fences and walls. Fast growing. Will endure partial shade.

| | |
|--------|--------|
| Grade | Each |
| 3 year | \$.50 |

C. HYBRIDS

LARGE FLOWERING HYBRIDS

2 year plants

Crimson King. Large dark-red flower with white center. Blooms June to September.

\$1.35

Duchess of Edinburgh. Pure double white Early summer.

\$1.25

Henryi. Very large white flowers. Vigorous grower.

\$1.25

Jackmani. Large velvety violet-purple flowers. Blooms profusely.

\$1.25

Jouiniana. New. Fragrant pale lavender flowers. Blooms from August to frost.

\$1.35

Mme. Edouard Andre. Purple-tinged red variety.

\$1.25

Prins Hendrick. New. Mammoth azure blue flowers with ruffled petals. Excellent for cutting.

\$1.75

HEDERA HELIX BALTICA

Hardy English Ivy

Very hardy. Attractive evergreen leaves. Valuable for covering walls as it clings tightly. Excellent as a ground cover in shaded places.

| | |
|-------------|--------|
| Grade | Each |
| 4 inch pots | \$.40 |

LONICERA JAPONICA HALLIANA

Hall's Japanese Honeysuckle

A strong fast grower with deep green almost evergreen foliage. Fragrant yellow and white flowers in midsummer and fall.

| | |
|--------|--------|
| Grade | Each |
| 2 year | \$.50 |

LONICERA HECKROTTI

Scarlet Trumpet Honeysuckle

Golden and scarlet flowers produced in clustered spikes all summer.

| | |
|--------|--------|
| Grade | Each |
| 2 year | \$.75 |

LYCIUM CHINENSE

Chinese Matrimony Vine

A vigorous vine. Foliage large and bright green. Pale purple flowers May to September are followed by showy orange and scarlet fruits.

| | |
|--------|--------|
| Grade | Each |
| 2 year | \$.50 |
| 4 year | .75 |

POLYGONUM AUBERTI

Chinese Fleece Vine

Silver Lace Vine. Fast growing. Fresh shiny foliage. Very profuse white flowers in foamy sprays from June through September. Train on trellises. Prune off dead wood each spring.

| | |
|-------------------------|--------|
| Grade | Each |
| 2 year plants (in pots) | \$.85 |

WISTERIA SINENSIS

Chinese Blue Wisteria

This hardy long-lived vine is a favorite. Gorgeous clusters of pea-like purple-blue flowers. Graceful foliage.

| | |
|---------------|--------|
| Grade | Each |
| 2 year grafts | \$1.00 |

Let our Landscape Department help with your garden plans

Hardy Roses

Common to all ages and all countries is the rose, a remarkable tribute to its universal popularity. Our generation of garden makers is fortunate in the vast wealth of new material available, both in new species collected from the far corners of the world, and in the improved forms evolved through hybridizing.

Hybrid Tea Roses

EVERBLOOMING

The hybrid tea roses are perhaps the most beautiful. No other flowers compare with them for exquisite coloring, marvelous size, form and fragrance. They flower all summer. Our plants are all finest quality, 2 year field grown stock. Our assortment contains many of the most beautiful and satisfactory varieties.

75c each—\$6.50 for 10

unless otherwise noted

Golden Dawn. Deep yellow buds. Sunflower-yellow blooms, double, and well formed. A profuse bloomer. Very beautiful.

Joanna Hill. Semi-double, clear yellow flowers, golden-orange at center. Profuse and lasting blooms. Fragrant.

McGredy's Yellow. Large buttercup yellow. Of excellent form, in bud and open flower.

Mrs. E. P. Thom. A fine clear yellow, sweetly scented. Vigorous, upright grower.

Mrs. P. S. Dupont. Golden yellow, medium-sized blooms, in profusion. A low-growing sturdy plant.

Roslyn. Golden yellow with orange center, of lasting color. Bush compact, vigorous.

Use bone meal liberally in planting your roses

ORANGE AND TWO-TONES

Autumn. Rich crimson and gold, very double flowers. Buds exceptionally handsome.

Condesa de Sagato. An unusual color combination of raspberry red and vivid yellow. Very fragrant.

Mme. Chas. Mallerin. Plant Patent No. 409. Large blossoms of orange-flame color. Distinctive, free-blooming. **\$1.50 each**

Mrs. Sam. McGredy. Fragrant, orange and scarlet blossoms. Lovely bronze-toned foliage.

President Herbert Hoover. Large lasting flowers of orange-yellow with deep rose and flame flushes. Excellent for cutting. Very fragrant. Clean handsome foliage. Vigorous

Talisman. Large well shaped double blooms in profusion. Brilliant orange-yellow blended with copper and red shades. Exquisite fragrance. Vigorous and hardy. Blooms constantly

Climbing Roses

SELECTION OF HARDIEST AND BEST

The Hardy Climbing Roses are easy to grow and no flower produces a finer display. They bloom profusely and may be trained over walls or fences; on posts, trellises or porches; as ground covers or on banks. They deserve to be planted in large quantities. Little-Tree Climbing Roses are all finest quality, 2 year field grown plants.

75c each—\$6.50 for 10
unless otherwise noted

PINK

Dr. W. Van Fleet. The very choicest pink climber. Large flowers of exquisite flesh-pink, prettily formed like tea roses, each on a long stem. Ideal for cutting. Handsome glossy foliage

Mary Wallace. Long buds and beautiful large flowers of brilliant pink. Vigorous plants with excellent foliage. Fragrant. Early.

New Dawn. Plant Patent No. 1. Delicate pink; the best hardy, ever-blooming climbing Rose. **\$1.50 each**

RED

Climbing American Beauty. One of the best climbers, free blooming, vigorous. Beautiful large buds and immense flowers of brilliant carmine. Fine for cutting. Fragrant. Early.

Blaze. Plant Patent No. 10. The first hardy scarlet climber to be ever blooming when once established. Like Paul's Scarlet Climber in color, vigor and hardiness. **\$1.00 each**

Paul's Scarlet Climber. Finest, brightest, purest red of all the Pillar Roses. Flowers are produced freely in clusters, are semi-double with their beauty intensified by a mass of golden-yellow stamens. The color holds until the petals drop. Early.

Skyrocket. Pillar type. Single, brilliant red flowers. Everblooming.

WHITE

Silver Moon. A well known and very popular variety. Handsome glossy foliage. Large semi-double silvery-white flowers with bright yellow centers.

Prosperity. White tinted with pink. Full petaled blossoms in clusters. Pillar type.

Summer Snow. The most prolific double white floribunda. **\$.85 each**

World's Fair. Plant Patent No. 362. Velvety dark scarlet flowers in large clusters. **\$1.00 each**

Other Roses

Each \$.75 10 for \$6.50

Rosa hugonis

Hugonis Rose

Extremely popular. Among the earliest of roses to bloom. Profuse single blooms transform the gracefully arched branches into a bouquet of soft yellow. Foliage acacia-like and persistent.

Rosa rugosa

Rugosa Rose

A beautiful shrub with rosy-carmine blossoms, singly or in clusters, dark, lustrous wrinkled foliage and brilliant orange-red fruits.

Extremely rugged. Excellent for hedges, border and group plantings. At the seashore few plants thrive better than Rugosa roses.

Rosa wichuriana

Memorial Rose

The old-fashioned trailing Wichuriana Rose. An excellent ground cover, forming a broad mat of glossy, leathery leaves. Large clusters of starry white fragrant flowers with yellow stamens.

Harison's Yellow.

This is an Austrian Briar Rose. Very hardy. Fine double golden-yellow blooms.

Potted Rose Bushes

After May 15th we can supply choice potted plants of many of the best and most popular varieties of bush and climbing roses. These are all fine field grown plants well established in pots.

\$1.00 each for standard varieties
at our Garden Store
